

Different types of Challans in Je-GRAS

There are three types of challans that are generated through Je-GRAS. They are explained as follows:

- 1. Online Challan (Through Payment Gateway):** This type of challan is generated online and the payment is also made online by Internet Banking / Credit Card / Debit Card through the SBI e-Pay payment gateway. The payee does not need to go to Treasury or bank counter for payment processing of such challans.
- 2. GBSS Challan (Any SBI Branch):** This type of challan is generated online with the term **GBSS** printed on the challan. SBI branches are advised to fetch such challans through GRN only. Payments for GBSS challans can be made in any SBI counter.
- 3. Manual Challans (Treasury Linked SBI counter):** Manual challans are generated online with the term **Treasury Linked Bank** printed on the challan along with *Challan Number & Date*. Treasury linked SBI branches are advised to fetch such challans through Challan Number in Treasury Application extended to SBI branches. Payments of such challans must be made only in the Treasury Linked SBI branch of the concerned treasury.

NOTE: For the Major codes – **8443, 8448 and 8782** Channel of payment must be selected as **Treasury Linked SBI counter**. For any other heads, **Online / GBSS** mode must be used.
